COMPANY PROFILE

Welcome to Regal Leisure furniture!

Regal is one of the leading leisure products providers with over years' professional experience and knowledge in designing, manufacturing and handling branded items.

Our Market

Regal has customers throughout the world. We supply products to Europe, the USA, South America, Africa, Asia, Australia, and Local. Our main markets are hospitality and leisure industry, from middle to upper class market in the world.

Our Mission

Our mission is to be: The leading manufacturer and exporter of rattan and garden furniture whose brand represents the highest standard of quality and service.

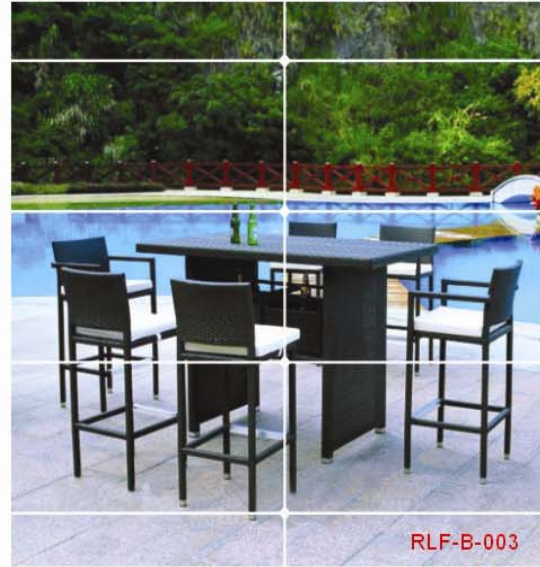

Our Collection

Our furniture is inspired by nature and created unique, futuristic, modern, minimalist and artistic styles. We created furniture of timeless elegance and comfort, designed with exclusive materials, and made to withstand all weather conditions and fashion trends.

The collection includes hand-woven and leisure garden furniture of all kinds for the outdoor and includes a wide range of chairs and tables in many different sizes and materials. Some of the chairs in the collection can be stacked, so that storing them during the winter requires a minimum of space.

Please visit our on-line product catalogue and take the time to browse. Regardless of whether you want to purchase an entire set of furniture or a container load, purchase, simply to contact us and we will respond with a quote in less than 48 hours. And don't forget to visit our website regularly to take advantage of new offers!
